

Complete this checklist before you get started with your
Lung Cancer Support Group program:

- Read the entire Lung Cancer Support Group Implementation and Facilitator Guide
- Conduct a community assessment
- Establish Lung Cancer Support Group vision and goals
- Find a venue for hosting the group
- Set a schedule of meeting dates and times for the year
- Staff the program
- Determine a communications plan for contact methods (i.e., call, email members) before, during and after the program
- Create an evaluation plan
- Review the Lung Cancer Support Group Facilitator training webinar in the Resource Center
- Review the additional assets and program materials in the Resource Center
- Create an engagement plan
- Review and understand the content on [Lung.org/lung-cancer](https://www.lung.org/lung-cancer) and [Lung.org/stigma](https://www.lung.org/stigma)
